

Nicole Kraten is an Assistant Property Manager at Crofton Perdue. Everyday she emails the staff an inspirational quote or comment. Nicole started this months ago. Now more than ever we look forward to them and want to share with you some of those emails:

**“Often when you think
you're at the end of
something, you're at the
beginning of something
else.”**

It speaks to this time as the start of a new era, without any negative connotation.
