HOMEOWNERS AND RESIDENTS

The following **May 2024 revised edition** of the **Rules and Regulations** will be effective on May 25, 2024.

This edition is published to assist in the proper care of the Westage at Harts Woods Condominium, to extend courtesy and compliance to your neighbors and to maintain your investment as a Homeowner. These rules and regulations **supersede** any previous rules and regulations set forth by the Board of Managers.

As a Homeowner, you also own a share of the interior and exterior common areas. We are confident that all will have a rightful sense of pride in these facilities and will use them with care.

It is the responsibility of the residents to inform visitors and make certain they adhere to all rules, regulations and guidelines of the Westage at Harts Woods Condominium.

All Owners who rent their property to another party must inform their renters of the rules, regulations and guidelines of the Westage at Harts Woods Condominium. The Owner will be held legally responsible for those actions and activities of the renting parties and their guests, which prove detrimental to the Condominium.

Violators will receive a written warning first. If not corrected, fines will follow. SEE ENFORCEMENT OF RULES AND REGULATIONS on page 10 for the schedule of fines.

If you have any questions regarding your unit, do not hesitate to contact Crofton Perdue.

Definition of Terms:

What is a Rule and Regulation?

A "rule" is a specification of a required action. It states exactly what must be done. The word "regulation" is suggested as being a little broader in meaning than the word "rule".

What is a By-Law?

A By-Law is a rule for the Board of Managers' internal operations.

What is a Guideline?

A guideline is a Board directive for discretionary action.

What is a Resident?

A resident is a person(s) who is the owner (on the recorded deed) and occupies the unit OR a tenant(s) who has a lease agreement with the owner (on the recorded deed).

The legal basis for which Westage at Harts Woods Condominium Board of Managers derives its authority to establish and carry out rules and regulations pertaining to the operation of the Condominium is found in the By-Laws.

I. BUILDING RULES:

1. The sidewalks, entrances and driveways must not be obstructed, encumbered or defaced.
2. Residents are required to move their vehicles to facilitate snow removal. If you are unable to move your vehicle, please ask a neighbor to help.
