

## **NOTICE**

This notice is to inform you of a pending pesticide application. You may wish to take precautions to minimize pesticide exposure to yourself, family members, pets or family possessions. Further information about the product or products being applied, including any warnings that appear on the labels of such pesticide or pesticides that pertain to the protection of humans, animals or the environment can be obtained by calling the National Pesticide Telecommunications Network at 1-800-858-7378 or the New York State Department of Health Center for Environmental Health information line at 1-800-458-1158.
