Bunco Group

Twelve ladies from Cambridge Court started a Bunco group this past October. We get together once a month, on the third Thursday night at 7 PM. The location of the bunco game changes each month to a new hostess. It cost six dollars to play the game. This covers the payouts which are for bunco, traveling dice, most wins, most losses, and even wins and losses. Last night

everyone went home with money. This game is lots of fun and easy to learn. If you can throw three dice down on the table you've mastered the basics. We are always looking for subs so if you're interested, please send me your name, email address and phone number.
