It shall contain waivers of any defense based upon the exclusion of persons who serve without compensation from any definition of “employee” or similar expression and shall provide that the bond shall not be cancelled or substantially modified (including cancellation for non-payment of premium) without at least 30 days’ prior written notice to the Board of Managers, Insurance Trustee, if any, and all institutional first mortgagees of Units as listed on the books and records of the Condominium.

If there is a clear separation of funds in the custody of the Condominium and the funds in the custody of the managing agent, and the managing agent is bonded for the maximum amount of Condominium funds under their custody at any given time, then the Board of Managers has the option to reduce its coverage by the amount in custody of the managing agent, and the option to not insure the managing agent.

By-Laws Section 8.01 is amended as follows:

8.01 Selling and Leasing Units. **Only Unit Owners who hold title to a Unit and are currently renting their Unit as of the recording of this Amendment will have the right to continue leasing their Unit, until the lease term expires, and then the Unit can no longer be leased. of the recording of this Amendment, the Board of Managers may lease or rent Units as provided by the Declaration and the By-Laws of the Condominium.

No Unit Owner shall convey, mortgage, pledge, ~~sell or lease or~~ sell such Owner's Unit unless and until all unpaid common charges assessed against such Unit shall have been paid to the Board of Managers. However, such unpaid common charges can be paid, at the time of closing, out of the proceeds of the sale of a Unit or by the grantee. Further, a Unit Owner may convey such Owner's Unit and the common interest appurtenant thereto to the Board of Managers on behalf of all Unit Owners free of any cost to the Board or the Unit Owners and upon such conveyance such Unit Owner shall not be liable for any common charges thereafter accruing against such Unit. A sale ~~or lease~~ of any Unit in violation of this Section shall be voidable at the election of the Board of Managers.

Any lease or rental of a Unit **by the Board of Managers** shall be for a minimum of thirty (30) days, shall be in such format and on such lease form, if any, as supplied by and approved from time to time by the Board of Managers of the Condominium, and shall provide for full compliance by the tenants with the Declaration, By-Laws and Rules and Regulations of the Condominium. ~~The Owner shall be responsible for violations by such Owner's tenant should a tenant be in violation thereof at any time, the Board of Managers of the Condominium may send the Owner of the Unit which said tenant occupies written notice of such violation by certified or registered mail, return receipt requested. If the violation is not cured or eviction proceedings commenced against the tenant within fourteen (14) days after the Owner has received notice of such violation, or if the eviction proceedings are not reasonably diligently pursued thereafter, the Board of Managers may pursue any remedies which it may have under the Declaration or these By-Laws.~~

The imposition of any additional restrictions on the right of a Unit Owner to sell or otherwise transfer, ~~lease or rent~~ such Owner's Unit shall require the consent of the Owners of 67% or more of the Units, in number and in common interest, and the Consent of Eligible Mortgage Holders of 51% or more of the Units then subject to mortgages held by Eligible Mortgage Holders.

The above provisions of this Section shall not apply to the acquisition or sale of a Unit by a mortgagee who shall acquire title to such Unit by foreclosure or by deed in lieu of foreclosure. Such provisions shall, however, apply to any purchaser from such mortgagee.

By-Laws Section 8.02 is amended as follows:

8.02 ~~Mortgaging of Units and Notice to Board of Managers.~~ Each Unit Owner shall have the right to mortgage such Owner's Unit without restriction. ~~Either the Unit Owner who mortgages the Unit or the mortgagee shall notify the Board of Managers in writing of the name and address of the mortgagee. The Board of Managers shall maintain such information in a book entitled "Mortgagees of Units."~~ **The Board of Managers shall maintain the name and address of all Eligible Mortgage Holders in a book entitled "Book of Mortgages."** No Unit Owner shall mortgage, pledge or hypothecate such Owner's Unit unless and until all unpaid common charges assessed against the Unit have been paid to the Board of Managers.

By-Laws Section 10.01 is amended as follows:

10.01 Notices. All notices hereunder shall be in writing and sent, unless otherwise specifically provided in the Declaration or in these By-Laws, by mail by depositing such notice in a post office or letter box in a postpaid sealed wrapper, addressed, if to go to the Board of Managers, at the office of the Board of Managers, and if to go to a Unit Owner or Unit Mortgagee, to the address of such Unit Owner or mortgagee at such address as appears on the books of the Condominium. Notwithstanding the above, all notices to Eligible Mortgage Holders shall be sent by certified or registered mail, return receipt requested, and if such notice includes a request for consent, shall include a statement that the failure to object to the requested consent within ~~30 days~~ **60 days** shall be deemed a consent. All notices shall be deemed to have been given when mailed, except notices of change of address which shall be deemed to have been given when received. Whenever any notice is required to be given under the provisions of the Declaration, or of these By-Laws, a waiver thereof, in writing, signed by the person or persons entitled to such notice, whether before or after the time stated therein, shall be deemed the equivalent thereof.

ARTICLE V

COMMON ELEMENTS

Section 5.01 Definition of Common Elements. The Common Elements consist of all the Property, except the Units, including, but without limitation, the following: (i) the land (including the land under the Units) and improvements on the Property, except for the Units; (ii) all utility or other pipes, wires, conduits and other material which are not part of the Units and not owned by a municipality public utility companies; (iii) the driveways, grass areas and sidewalks (not owned by the Village of Hilton); (iv) mailboxes; and (v) all other apparatus and installations on the Property for common use or which may be necessary or convenient to the existence, maintenance or safety of the Property (the “Common Elements”).

Section 5.02 Interest in Common Elements. Each Unit Owner shall have such percentage interest in the Common Elements as is set forth on Schedule C attached hereto and shall bear such percentage of the common expenses of the Condominium.

The percentage of interest of each Unit in the Common Elements has been determined in accordance with Section 339-i-1(iii) of the New York Condominium Act, on the basis of equal percentages (or nearly equal so that percentage interests total 100%) as of the date of filing of this Declaration. Each Unit is together with an undivided 0.68966% interest in the Common Elements.

The interest in the Common Elements as expressed herein shall have a permanent character and shall not be altered without the consent of all Unit Owners affected, as well as their mortgagees, expressed in a duly recorded amendment hereto.

The undivided interest in the Common Elements shall not be separated from the Unit to which it appertains and shall be deemed conveyed or encumbered with the Unit even though such interest is not expressly mentioned or described in the conveyance or other instrument. Any conveyance, encumbrance, judicial sale or other transfer (voluntary or involuntary) of an individual interest in the Common Elements will be void unless the Unit to which that interest is appurtenant is also transferred.

Section 5.03 Eminent Domain. Notwithstanding Section 5.02 above, if a Unit or Units, or the Common Elements, or any portion thereof is taken by eminent domain, the following shall apply:

- (a) Notification. The Board of Managers shall give written notice to all Unit Owners of any notification received by the Board of Managers advising it of a pending or threatened condemnation of any portion of the Condominium Property.
- (b) Action to Contest Condemnation. The Board of Managers shall have the exclusive right to contest any condemnation or eminent domain proceeding which is directed at taking any portion of the Common Elements or which touches upon, concerns or affects the use of the Common Elements. No Unit Owner or tenant of a Unit shall impair or prejudice the action of the Board of Managers in contesting such condemnation. Such restriction or prohibition shall not preclude a Unit Owner or tenant of a Unit from contesting the taking in such condemnation or eminent domain proceeding of the Unit owned or rented by such Unit Owner or tenant. In any action contesting a taking by condemnation or eminent domain proceeding, the Board of

Managers shall request the court to set forth the allocation of the condemnation award among the Unit Owners affected, taking into account the respective percentage interest in the Common Elements, the effect of the taking on each Unit affected thereby and any other relevant factors.

- (c) Partition Action in Lieu of Continuation of Condominium After Partial Taking by Condemnation. If any condemnation or eminent domain proceeding results in a partial taking of the Property, then the Property or so much thereof as shall remain shall be subject to an action for partition as provided for by Section 399-t of the Real Property Law, as said Section may be amended from time to time, in which event the net proceeds of sale, together with the net proceeds of the award from the condemnation or eminent domain shall be considered one fund and shall be divided among all the Unit Owners in proportion to their respective common interests; provided, however, that no payment shall be made to a Unit Owner until there has first been paid off out of such Unit Owner's share all liens on such Unit Owner's Unit.
- (d) Distribution of Condemnation Awards for Taking of Common Elements. Except as provided in (c) above and except for any award obtained by a Unit Owner for the Unit as further provided in (b) above, in the event that all or part of the Common Elements are taken in condemnation or eminent domain proceedings, the award from such proceedings shall be paid to an insurance trustee (bank, trust company, law firm or attorney) selected by the Board of Managers if the award is more than \$100,000.00 and to the Board of Managers if the award is \$100,000.00 or less. (This \$100,000.00 limit shall automatically increase each calendar year by 5% over the limit of the previous year.) The Board of Managers or the insurance trustee, as the case may be, shall arrange for the repair, restoration or replacement of such Common Elements to the extent reasonably possible, and shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments.

If there shall be a surplus of such proceeds or if the Board of Managers or insurance trustee cannot reasonably repair, restore or replace the Common Elements taken, the proceeds shall be distributed among the Unit Owners and the percentage interests in the Common Elements of the Condominium reallocated among the remaining Units (i) as the court shall have directed, or (ii) as provided in (e) below, (i.e., if there was no direction by the court), taking into account the respective percentage interests in the Common Elements of the Units affected thereby, the effect of the taking on each Unit affected thereby after the completion of any repair, restoration or replacement by the Board of Managers or insurance trustee and any other relevant factors. Any court direction as to such distribution shall be final. Any Unit Owner or tenant who wishes to contest a determination by the Board of Managers may do so by submitting the matter to the American Arbitration Association for a determination of a fair and proper distribution, or reallocation of percentage interests in the Common Elements, as the case may be, which shall be binding on the Board of Managers, and on all Unit Owners and tenants. The cost of such arbitration shall be borne solely by the Unit Owner or tenant submitting the matter for arbitration.

After any determination for reallocation of percentage interests in the Common Elements, the Unit Owners shall promptly prepare, execute and record an amendment to the Condominium Declaration reflecting such reallocation, which said Amendment need only be executed by Unit Owners affected and by a majority of the Board of Managers.

- (e) Partial or Total Taking of Units. Subject to the direction of any court as described in (d) above, if an entire Unit is so taken, or if part of a Unit is taken such that the remaining portion may not be practically or lawfully used for any purpose permitted by this Declaration, that Unit's entire interest in the Common Elements shall be automatically reallocated to the remaining Units in proportion to the respective common element interests of those Units before the taking. If part of a Unit is so taken, such that the remaining portion may be practically and lawfully used for a purpose permitted by this Declaration, that Unit's interest in the Common Elements shall be reduced in proportion to the reduction and size of the Unit in a manner consistent with the manner in which common element interests were originally determined under Section 5.02 above; the portion of the interest in the Common Elements so divested shall be automatically reallocated to that Unit and to the remaining Units in proportion to the respective common element interests of those Units before the taking, with the partially-taken Unit participating in the reallocation on the basis of its reduced interest in the Common Elements.
- (f) Condemnation Provisions Subject to Existing Law. All provisions of this Section 5.03 are subject to interpretation in accordance with the law in effect at the time of any condemnation or eminent domain proceeding. Should all or any portion of the provisions of this Section 5.03 be deemed illegal at such time, the distribution of proceeds, rights with respect to partition and allocation of percentage interests in the Common Elements after a partial taking, shall be as a court of law shall determine.

Section 5.04 Common Elements to Remain Undivided. The Common Elements shall remain undivided and no Unit Owner shall bring any action for partition or division unless otherwise provided by law and unless consented to by Eligible Mortgage Holders.

Abandonment, Encumbrance, Conveyance or Transfer of Common Elements. The Common Elements shall not be abandoned, encumbered, conveyed, or transferred without the consent of all the Unit Owners, who shall vote upon written ballot which shall be sent to every Unit Owner not less than 30 days nor more than 50 days in advance of the date or initial date of the canvass for voting on the proposed abandonment, encumbrance, conveyance or transfer. Any such abandonment, encumbrance, conveyance or transfer shall require the Consent of Eligible Mortgage Holders.

Notwithstanding the foregoing, the Board of Managers shall have the power to grant easements, rights of way or licenses for utilities or other similar services (e.g., cable television) across the Common Elements, with or without consideration.

Section 5.06 Restricted or Limited Common Elements. Subject to the right of the Board of Managers to enter upon any restricted area for maintenance, repair or improvement of a Unit or Common Element and subject to the rules of the Board of Managers (see Article VI of this Declaration) the following portions of the Common Elements are restricted in use as specified below:

- (a) The land which is located directly beneath each Unit or portion of a Unit, as well as driveway servicing such Unit, is restricted or limited in use to the Unit Owner of the Unit located above it, or contiguous to it.
- (b) Each mailbox on the Property is restricted or limited in use to the Unit Owner of the Unit to which such mailbox is assigned from time to time by the Board of Managers.
- (c) The ground area on which is located, or at any time in the future is located, any air conditioning condenser, heat pump or natural gas powered generator, is restricted or limited in use to the Unit Owner(s) of the Unit which is serviced by such natural gas powered generator, air conditioning condenser or heat pump.
- (d) The patio or deck, if any, that abut a Unit is restricted or limited in use to the Unit Owner(s) of the Unit that abuts the patio or deck.
- (e) Sponsor is granted the exclusive right to construct a Building on each particular unit location shown on the Site Plan on which a Building is not yet built.

ARTICLE VI

THE CONDOMINIUM PROPERTY - USE, OPERATION, PRESERVATION, MAINTENANCE AND REPAIR

Section 6.01 Repairs and Maintenance Which Are the Responsibility of the Board of Managers. Unless (i) otherwise provided in this Declaration or the By-Laws, or (ii) performed by any governmental entity or independent authority, all maintenance, repairs and replacement to the Common Elements of the Property including but not limited to landscaped areas, (except landscaping installed by a Unit Owner), driveways, walks, as well as all maintenance, repairs and replacements to any pipes, wires, conduits and other utility lines as are located in the Common Elements but serve two (2) or more Units, shall be made by the Board of Managers. The cost of all such maintenance, repairs and replacements shall be a common expense unless occasioned by a negligent or willful act or omission as provided in Section 6.02 below.

Section 6.02 Repairs and Maintenance Which Are the Responsibility of the Unit Owners. All maintenance to the Unit, inside or out, (including painting and decorating of the Units), repairs, and replacements to the Units including windows (including all glass breakage), doors, decks or patios which abut and service a Unit, and maintenance and repairs to lines, pipes, sump pumps, ducts, wires, cables, chutes, conduits, connections, fittings and fireplace chimneys and flues shall be made by the respective Unit Owners at their own expense and at such frequency as the Board of Managers shall determine to be appropriate from time to time.

Any maintenance, repair or replacement necessary to preserve the appearance and value of the Property made pursuant to Section 6.01 above but which is occasioned by a negligent or willful act or omission of a Unit Owner, (including any family member, or tenant, or employee of such Unit Owner, or any guest or invitee of such Unit Owner, member of such Unit Owner's family or tenant of such Unit Owner) shall be made at the cost and expense of such Unit Owner. If such maintenance, repair or replacement is the responsibility of the Board of Managers, it shall not be regarded as a common expense, but shall rather be considered a special expense allocable to the specific Unit and such cost shall be added to that Unit Owner's common charges and, as part of those common charges, shall constitute a lien on the Unit to secure the payment thereof.

In the event that a Unit Owner fails to make any maintenance or repair, which maintenance or repair is necessary to protect any of the Common Elements or any other Unit, the Board of Managers shall have the right to make such maintenance or repair (after the failure of the Unit Owner to do so, weather permitting, after reasonable notice, except that, in the event of an emergency situation, e.g., to prevent immediate damage to the Unit, other Units or the Common Elements, no notice), and to charge the Unit Owner for the cost of all such repairs and/or maintenance. In the event that the Board of Managers charges a Unit Owner for repairs or maintenance to such Unit Owner's Unit or for repairs to any common element and which the Unit Owner is obligated to maintain pursuant to these By-Laws or the Declaration or Rules and Regulations, and the Unit Owner fails to make prompt payment, the Board of Managers shall be entitled to bring suit thereon, and, in such event, the Unit Owners shall be liable for the reasonable attorneys' fees and costs of such suit or proceeding together with interest on all sums due.

Section 6.03 Quality of Maintenance and Repairs. All repairs, painting and maintenance, whether made by the Unit Owner or by the Board of Managers to the doors, windows, decks, or the exterior surface of any Building, including roofs, or to any generally visible portion of the Common Elements shall be carried out in such manner so as to conform to the materials, style and color of the materials as they existed prior to such repair, painting or maintenance and shall be compatible with the architectural design of the Building(s), unless the Board of Managers authorizes a variance of such standard.

Section 6.04 Restrictions on Use of Units and Common Elements. In order to provide for congenial occupancy of the Property and for the protection of the values of the Units, the use of the Property shall be in accordance with the following:

- (a) Occupancy shall be limited to residential purposes only and subject to such limitations as set forth in the Declaration; (See Article IV).
- (b) The Common Elements shall be used only for the furnishing of the services and facilities for which they are reasonably suited and capable and which are incident to the use and occupancy of the Units.
- (c) No portion of a Unit (other than the entire Unit) may be rented, and no transient tenants, *i.e.*, tenants occupying the premises under an initial lease term of less than 30 days, may be accommodated therein.
- (d) No wholesale or retail business including any salon, studio, laboratory, home industry, or medical or dental office, shall be conducted in any Unit or other portion of the

Property, except for the conducting of business by electronic devices. This restriction is not intended to preclude the operation of an in-home office for purposes other than those set forth above.

Section 6.05 No Obstruction of Common Elements and Facilities. A Unit Owner shall not obstruct the Common Elements. The Common Elements and facilities shall be used only for those purposes for which they are reasonably suited and capable.

Section 6.06 Rules of Conduct. Rules and Regulations concerning the use of the Units and the Common Elements may be promulgated and amended by the Board of Managers. Copies of such Rules and Regulations shall be furnished by the Board of Managers to each Unit Owner prior to the time when the same shall become effective. The Rules and Regulations are annexed to the By-Laws, as Schedule A.

Section 6.07 Abatement and Enforcement of Violations. The violation of any rule or regulation adopted by the Board of Managers, or the breach of any provision of this Declaration or of the By-Laws, shall give the Board of Managers (and each aggrieved Unit Owner with respect to any violation or breach by any other Unit Owner or by the Board of Managers) the right, in addition to any other rights set forth in this Declaration or in the By-Laws: (a) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity and at the expense of the defaulting party, the continuance of any such breach; or (b) give the Board of Managers the right to establish a penalty in accordance with Section 6.10 below. Prior to exercising such right, the Board of Managers or Unit Owner or Unit Owners, as the case may be, shall, if reasonably possible, notify the Unit Owner and mortgagee (if known) of the Unit or Units involved and provide a reasonable amount of time for the cure of such violation or breach. In any case of flagrant or repeated violation by a Unit Owner (or one for whom such Unit Owner is responsible), such Unit Owner may be required by the Board of Managers to give sufficient surety for future compliance.

All rights, remedies and privileges granted to the Board of Managers and to aggrieved Unit Owners herein shall be deemed to be cumulative, and the exercise of any one or more shall not be deemed to constitute an election of remedies nor shall it preclude the party thus exercising such right or rights from exercising such other and additional rights, remedies or privileges as may be granted by this Declaration, or by the By-Laws or the Rules and Regulations of the Condominium at law or in equity.

Section 6.08 Obligation and Lien for Cost of Enforcement. If an action or other means of enforcement are brought to extinguish a violation of any rule or regulation adopted by the Board of Managers or to enforce the provisions of this Declaration or of the By-Laws, the cost of such action or enforcement, including legal fees, shall become a binding personal obligation of the violator. If such violator is (1) the Unit Owner, or (2) any family member, tenant or guest or invitee of such Unit Owner, or (3) a family member, guest or invitee of a tenant of such Unit Owner, or (4) a guest or invitee of (i) any member of such Unit Owner's family or (ii) any family member of the tenant of such Unit Owner; such cost shall also be a lien upon the Unit or Units of such Unit Owner.

Section 6.09 Penalties and Fines. In addition or as an alternative to an action at law or suit in equity, the Board of Managers may, with respect to any violation of this Declaration or of the By-Laws or of any Rules and Regulations of the Condominium or of any committee of the Condominium, and after affording the alleged violator a reasonable opportunity to appear and be heard, establish

monetary and non-monetary penalties, the amount and severity of which shall be reasonably related to the violation and to the aim of deterring similar future violations by the same or any other person. Monetary penalties imposed against a Unit Owner or occupant shall be deemed an assessment against the Unit of such Unit Owner and, as such, shall be a charge and continuing lien upon such Unit, shall constitute a personal obligation of the Unit Owner, and shall be collectible in the same manner as common charges and special assessments under this Declaration or under the By-Laws.

Section 6.10 Unit Owner Responsible for Tenants. Any lease of a Unit shall be for a term of not less than ~~six (6) months~~ and shall be in such format and on such lease form, if any, as supplied and approved from time to time by the Board of Managers. Any such lease shall provide for full compliance by the tenant with this Declaration and with the By-Laws and Rules and Regulations of the Condominium.

Section 6.11 Insurance Proceeds. Any insurance proceeds collected for the damage or destruction of the Common Elements or facilities shall be used to repair or rebuild such damaged or destroyed Common Elements or facilities unless the Consent of Eligible Mortgage Holders is obtained.

ARTICLE VII

ALTERATION OF UNITS OR COMMON ELEMENTS

Section 7.01 Increases and Decreases in Size and Number of Units. Units may not be divided. No additions shall be made to a Unit without the written approval of the Board of Managers, obtained as provided in Sections 7.04 through 7.08 of this Declaration. All Unit Owners hereby consent to any additions to a Unit approved by the Board of Managers pursuant to Sections 7.04 through 7.08 of this Declaration.

Section 7.03 Alteration and Improvement of Common Elements. The Board of Managers shall have the right, at its option, to make or cause to be made such alterations and improvements to the Common Elements as, in its opinion, may be beneficial or necessary or which are requested in writing by a Unit Owner(s) and the Eligible Mortgage Holder thereon, subject however to the requirement that, if the alteration or improvement shall cost more than 5% of the then current estimated annual budget of the Condominium, such alteration or improvement shall be approved by 67% in number and in common interest of the Unit Owners, voting at a meeting duly called pursuant to the By-Laws. Such expenses shall constitute common expenses. Alterations or improvements costing less than 5% of the Condominium's then current estimated annual budget may be made by the Board of Managers and the cost thereof shall constitute a part of the common expenses. Before undertaking such work, the Board of Managers may require the consent in writing of such Unit Owners and the Consent of Eligible Mortgage Holders whose rights, in the sole opinion of the Board of Managers, may be prejudiced by such alteration or improvement. In all cases of alteration or improvement, the Board of Managers shall comply fully with all governmental codes, laws,

ordinances and regulations, including the terms and provisions of the Real Property Law of the State of New York in effect at the time of the proposed alteration or improvement.

Section 7.04 Submission of Plans to Board of Managers; Approval. Any addition, alteration or improvement to the Units or Common Elements proposed by a Unit Owner pursuant to Sections 7.01 through 7.03 above shall require that a plan or plans therefor, in such form as the Board of Managers may require, be submitted to, reviewed and approved by the Board of Managers. The Board of Managers may charge and collect a reasonable fee for the examination of plans submitted for approval, including any fees which may be charged by architects, engineers or attorneys retained by the Board of Managers in connection with the review of such plans. The Sponsor, Sciortino Developers, LLC, is exempt from this Section, as well as all of Article VII.

The Board of Managers may adopt simplified review procedures for any such additions, alterations or improvements which it shall deem minor or for which the submission of plans is not necessary.

The Board of Managers may disapprove such plans for any of the following reasons:

- (a) failure of such plans to comply with any protective covenants, conditions and restrictions contained in the Declaration, By-Laws, Rules or Regulations;
- (b) failure to include information in such plans as requested;
- (c) objection to the exterior design, appearance or materials of any proposed improvements, including without limitation, colors or color scheme, finish, proportion, style of architecture;
- (d) incompatibility of proposed improvements or use of proposed improvements with existing improvements or uses in the vicinity;
- (e) failure of proposed improvements to comply with any zoning, building, health, or other governmental laws, codes, ordinances, Rules and Regulations, including the Real Property Law of the State of New York;
- (f) any other matter which in the judgment and sole discretion of the Board of Managers would render the proposed improvements, use or uses inharmonious or incompatible with the general plan of improvement of the Condominium, including any possible adverse impact on the use and enjoyment of the Property by any other Unit Owner(s).

Upon approval or qualified approval by the Board of Managers of any plans submitted pursuant to this Section, the Board of Managers shall notify the applicant in writing of such approval or qualified approval, which notification shall set forth any qualifications or conditions of such approval, shall file a copy of such plans as approved for permanent record (together with such qualifications or conditions, if any), and, if requested by the applicant, shall provide the applicant with a copy of such plans bearing a notation of such approval or qualified approval. Approval of any such plans relating to the Common Elements or to any Unit shall be final as to such alterations, modifications or improvements and such approval may not be revoked or rescinded thereafter provided (i) that the improvements or uses shown or described on or in such plans do not violate any protective covenants,

conditions or restrictions set forth in the Declaration, By-Laws or Rules and Regulations, (ii) that such plans and any qualifications or conditions attached to such approval of the plans do not violate any applicable governmental law, rule or regulation, zoning, building, health or other code or ordinance, including the Real Property Law of the State of New York and (iii) that the improvement is completed within six (6) months. Approval of any such plans shall not be deemed a waiver of the right of the Board of Managers to disapprove similar plans or any of the features or elements included therein if such plans, features or elements are subsequently submitted for use by other Unit Owner(s).

Section 7.05 Written Notice of Disapproval. In any case where the Board of Managers disapproves any plans submitted hereunder, the Board of Managers shall so notify the applicant in writing, together with a statement of the grounds upon which such action was based. In any such case, the Board of Managers shall, if requested and if possible, make reasonable efforts to assist and advise the applicant so that acceptable plans can be prepared and resubmitted for approval.

Section 7.06 Failure of Board of Managers to Act. If any applicant has not received notice from the Board of Managers, approving or disapproving any plans within 40 days after submission thereof, said applicant may notify the Board of Managers in writing of that fact. Such notice shall be sent by certified mail, return receipt requested. The plans shall be deemed approved by the Board of Managers 15 days after the date of the receipt of such second notice, if no decision is rendered by the Board of Managers within said 15-day period.

Section 7.07 Board of Managers' Right to Promulgate Rules and Regulations. The Board of Managers may from time to time promulgate Rules and Regulations governing the form and content of plans to be submitted for approval or with respect to the approval or disapproval of certain types of alterations, modifications, or improvements to the Common Elements or Units; provided, however, that no such rule or regulation shall be deemed to bind the Board of Managers to approve or disapprove any plans submitted for approval, or to waive the exercise of the Board of Managers' discretion as to such plans; and provided further that no such rule or regulation shall be inconsistent with the provisions of the Declaration, By-Laws, or any applicable governmental law, code, ordinance, rule or regulation.

Section 7.08 Applications for Permits; Indemnification and Insurance. Any application to any governmental authority to make an installation, addition, alteration or improvement to the Common Elements or any Unit shall be approved by the Board of Managers only; provided, however, that applications for any such installation, addition, alteration or improvement proposed by a Unit Owner pursuant to Sections 7.01 through 7.03 above shall be at the sole cost and expense of such Unit Owner; and provided further that this Article VII shall in no case be construed to result in the Board of Managers incurring any liability whatsoever to any Unit Owner, contractor, subcontractor, supplier of material, architect or engineer on account of such installation, addition, alteration or improvement proposed by a Unit Owner, or to any person having any claim for injury to person or property arising therefrom, and such Unit Owner agrees to indemnify and forever hold the Board of Managers harmless for any liability or expenses incurred by the Board of Managers in connection therewith, including reasonable attorney's fees.

In connection with any installation or work done by a Unit Owner, the Board of Managers may require that the Unit Owner obtain such insurance coverages and/or completion bonds, and in such amounts, as the Board of Managers deems proper. In the event that the Board of Managers deems it is necessary to expend funds either to complete work previously commenced by a Unit

Owner or to otherwise protect the appearance, value or structural integrity of the Condominium, such amounts shall become a binding personal obligation of the Unit Owner involved and a lien against the Unit.

Section 7.09 Liability of Board of Managers. No action taken by the Board of Managers or any member, subcommittee, employee or agent thereof, shall entitle any person to rely thereon, with respect to conformity with laws, regulations, codes or ordinances, or with respect to the physical or other condition of any Building or other portion of the Property. Neither the Condominium, nor the Board of Managers, nor any member, subcommittee, employee or agent thereof shall be liable to anyone submitting plans to them for approval or to any Unit Owner, or any other person, in connection with any submission of plans, or the approval or disapproval thereof, including without limitation, mistakes in judgment, negligence or nonfeasance. Every person or other entity submitting plans to the Board of Managers agrees, by submission of such plans, that no action or suit will be brought against the Condominium or the Board of Managers (or any member, subcommittee, employee or agent thereof) in connection with such submission.

Section 8.07 Access Easement from Sponsor. Sponsor hereby grants and conveys to the Unit Owners and their successors and assigns, temporary, non-exclusive easement for unimpeded access by vehicular and pedestrian ingress and egress on, through and over the roads described on Schedule D, attached hereto and made a part hereof, for the sole purpose of providing access to the Units (the "Access Easement"). The Board of Managers shall, from time to time, but at least annually, fix and determine the budget representing the sum or sums necessary and adequate for the continued operation of the Condominium and shall send a copy of the adopted budget to all Unit Owners at least 30 days prior to the beginning of the fiscal year. The Board of Managers shall send a copy of the budget as adopted and any supplement thereto to every Unit Owner and such Unit mortgagees as shall have requested the same. The Board of Managers shall determine the total amount required, including the operational items such as insurance, repairs, reserves, betterments, maintenance of the common elements and other operating expenses as well as charges to cover any deficits from prior years. The total annual requirements shall be assessed as a single equal sum against all completed Units, and the Sponsor shall be responsible to pay an assessment for one (1) Unit, whether completed or not. Said common charges or assessments shall be payable monthly in advance unless the Board of Managers establishes other periods for payment. Special assessments, should such be required, shall be levied and paid in such manner as the Board of Managers shall determine for each such special assessment.

Special assessments may be levied with the consent of two-thirds (2/3) of the Unit Owners.

5.02. Collection of Common Charges and Assessments. The liability of a Unit Owner for common charges is set forth in the Declaration. If a common charge or assessment or any installment thereof is not paid within 5 days after the due date, the Board of Managers may impose a late charge or charges on such amount or amounts as the Board of Managers deems reasonable not to exceed 10% of the amount of such overdue common charge or assessment or installment thereof, provided such late charges are equitably and uniformly applied.

If the common charge or assessment or installment thereof is not paid within 30 days after the due date (i) the common charge or assessment shall bear interest from the due date at such rate as may be fixed by the Board of Managers from time to time, such rate not to exceed the maximum rate of interest then permitted by law; (ii) the Board of Managers may accelerate the remaining installments, if any, of such common charges or assessments upon notice thereof to the Unit Owners which notice shall afford the Unit Owner not less than 10 days to pay such installments of common charges; and (iii) the Board of Managers may bring legal action against the Unit Owner personally obligated to pay the same or foreclose the lien on such Unit pursuant to, and in the manner provided by New York State Law. If the common charge or assessment or installment thereof is not paid within 60 days after the due date, the Board of Managers, if it has not previously done so, shall furnish prompt written notice of such delinquency, if requested, to any holder, insurer or guarantor of the mortgage on the Unit for which the payment of common charges or assessments is delinquent.

The cost of any such proceedings and other costs and expenses incurred in efforts to collect such past due common charges or assessments, including reasonable attorney's fees, shall be added to the amount of such common charge or assessment, accelerated installments, if any, late charges and interest. Any amounts collected on past due common charges or assessments shall be applied in the following order: attorney's fees, other costs of collection, interest, late charges, and then the common charges or assessments, beginning with the common charge or assessment past due for the longest period.

5.03. Rights and Obligations Regarding Foreclosure of Liens for Unpaid Common Charges. In any action brought by the Board of Managers to foreclose a lien on a Unit because of unpaid common charges, the Unit Owner shall be required to pay a reasonable rental for the use of his Unit and the plaintiff in such foreclosure action shall be entitled to the appointment of a receiver to collect the same. The Board of Managers, acting on behalf of all Unit Owners, shall have the power to purchase such Unit at the foreclosure sale and to acquire, hold, lease, mortgage, vote the votes appurtenant to, convey or otherwise deal with the Unit. A suit to recover a money judgment for unpaid common charges shall be maintainable without foreclosing or waiving the lien securing the same.

5.04. Statement of Common Charges. Upon the written request of a Unit Owner, lessee or mortgagee with respect to the Unit owned by such Owner, leased by such lessee or upon which such mortgagee holds a mortgage, or any prospective purchaser, lessee, mortgagee or title insurer of such Unit, the Board of Managers, the Manager or the managing agent, shall promptly furnish a certificate in writing setting forth with respect to such Unit as of the date of such certificate, (i) whether or not the common charges due have been paid, (ii) the amount of such common charges, including interest and costs, if any, due and payable, and (iii) whether any other amounts or charges are owing to the Condominium, i.e., for a special assessment for the cost of extinguishing a violation of the Declaration or rules and regulations. A reasonable charge, as determined by the Board of Managers, may be made for the issuance of this certificate. Any such certificate, when duly issued as herein provided, shall be conclusive and binding with regard to any matter therein stated as between the Board of Managers and any bona fide purchaser or lessee of, or lender on, or title insurer of, the Unit with respect to which the request was made.

5.05. Adjustment of Common Charges and Special Assessments on Transfer. Unless otherwise agreed upon between the parties to the transfer, upon the transfer of a Unit, common charges, and any special assessments which (i) may be payable in installments or (ii) are specifically applicable to a defined period of time which has not expired, shall be adjusted between the grantor and grantee, with the grantor being entitled to reimbursement from the grantee for the portion of any payment made by the grantor which is applicable to the remainder of the period in which the transfer occurred or to a subsequent period, and the grantee being entitled to a credit from the grantor for the portion of any unpaid payment assumed by the grantee which is applicable to the expired portion of the period in which the transfer occurred or to any prior period. Unless otherwise provided by the Board of Managers of the Condominium in the adoption, (i) a special assessment payable in installments shall be adjusted as if the installment payments apply to a period following the date due, the length of which shall be equal to the interim period between installment due dates and (ii) a special assessment payable in a single installment shall be the sole responsibility of the Owner of the Unit on the date which such assessment is initially due.

5.06. Resale Assessment. Upon any resale of a Unit, the Grantee (Purchaser) thereof shall pay to the Condominium a Resale Assessment which shall be one hundred (\$100.00) dollars. "Resale" as referred to herein shall not include any transfer by inheritance, devise or gift or any transfer by foreclosure, deed in lieu of foreclosure, or pursuant to a decree in bankruptcy. These funds are not to be used to offset assessments.

5.07. Operating Account. There shall be established and maintained a cash deposit account to be known as the “Operating Account”, into which shall be deposited the operation portion of all common charges and special assessments as fixed and determined for all Units. Disbursements from said account shall be for the general needs of the operation including, but not limited to wages, repairs, betterments, maintenance and other operating expenses of the common elements and for the purchase, lease, sale or other expenses resulting from the purchase or lease of Units. The bank in which such funds are deposited shall send copies of all statements directly to the Board of Managers or persons designated by the Board of Managers.

5.08. Reserve Accounts. The Board of Managers shall establish and maintain an adequate reserve account for the replacement of those common element improvements which the Board of Managers is obligated to maintain. Any reduction in such reserve account (or in any other reserve account for maintenance or repair of such improvements) to an amount which, if continued to be paid each year, would result in an accumulated total of less than the amount necessary to replace, repair or maintain, in accordance with the purpose of such reserve, at the projected time, those common improvements, requires the Consent of Eligible Mortgage Holders of 51% or more of the Units then subject to mortgages held by Eligible Mortgage Holders. Such reserve account shall be funded from common charges. Any funds collected or designated by the Board of Managers as reserves for the replacement of capital items shall be segregated from all other funds of the Condominium in one or more separate accounts. This shall not preclude the Board of Managers from segregating other portions of the Condominium funds in separate accounts for a specific purpose (e.g., reserves for non-capital items) or otherwise. If a separate bank account is established for these reserve funds, (i) at least two (2) members of the Board of Managers shall be required to sign any checks written on such account, (ii) no manager or managing agent shall have authority to draw checks on or to transfer funds from such account, and (iii) the bank in which such funds are deposited shall send copies of all statements directly to the Board of Managers, or persons designated by the Board of Managers.

(a) Annual Review & Revision. The Board of Managers shall review and revise a Reserve Study annually to reflect changes in costs, inflation and interest yield on invested funds. Component information shall be amended to reflect new information received, component additions or deletions. With this revised information, a new Reserve Study projection shall be generated and used in conjunction with the Annual Budget process.

(b) Reserve Account Funds. The Reserve Account shall have two major funds, a Contingency Fund and a Replacement Fund. In addition to common charges, the Contingency Fund is funded by the \$100 assessed as each Unit is initially sold by the Sponsor or later resold (By Laws § 5.06). The Replacement Fund is funded by common charges and shall include a “Percent Funded” factor (percent of actual reserve funds on hand versus the ideal of 100%). If Percent Funded balance is below 70%, the Board of Managers shall provide for a plan to systematically increase contributions to attain the 70% level without special assessments, if possible.

(c) Permitted Uses of Reserve Funds. The Contingency Fund is to be used only to cover unanticipated shortfalls in the annual Operating Budget. The Replacement Fund is

to be used only for the repair and replacement of the specific components identified in the Reserve Study.

(d) **Borrowing Reserve Funds.** Under special circumstances, like an unanticipated Operating Budget shortfall, or an emergency, the Board of Managers may borrow from reserve funds. In such cases, the Board of Managers shall adhere to a strict repayment plan that will replace borrowed reserve funds within 12 months.

(e) **Investing Reserve Funds.** In order to reduce the amount of member contributions, the Board of Managers shall invest reserve funds to generate interest revenue that will be added to the reserve account. Unless otherwise approved by the Unit Owners, all investments will be Federal Deposit Insurance Corporation (FDIC) insured or guaranteed by the United States Government. Investments should take into consideration the repair and replacement schedule so that there is no loss of interest for early withdrawal. The Board of Managers shall review the reserve fund investment plan at least annually to ensure that the funds are receiving competitive yields and make prudent adjustments as needed. The Board of Managers may hire an investment counselor to assist in formulating an investment plan.

5.09. Other Accounts. The Board of Managers shall maintain any other accounts it shall deem necessary to carry out its purposes.

ARTICLE VI

RECORDS AND AUDITS

6.01. Records and Audits. The Board of Managers or the managing agent shall keep detailed records of the actions of the Board of Managers and the managing agent, minutes of the meetings of the Board of Managers, minutes of the meetings of the Unit Owners, and financial records and books of account of the Condominium, among other things, shall contain the amount of each assessment of common charges against such Unit, the dates when installments are due, the amounts paid thereon, and the balance remaining unpaid.

6.02. Annual Statement. Within 120 days after the end of each fiscal year, a full and correct statement of the financial affairs of the Condominium, including a balance sheet and a financial statement of operation for the preceding fiscal year prepared and signed by a public or certified public accountant to the effect that the financial statement presents fairly the financial position of the Condominium and the results of its operations in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding period except as specified therein, shall be distributed to all Unit Owners and to all mortgagees of Units who have requested the same. Taking into consideration the cost of an audit vs. a review, the complexity and volume of the Condominium's financial affairs, and such other factors the Board of Managers deems relevant, the Board of Managers of the Condominium shall determine each year whether such statement shall be in the form of an audit or review, except that (i) an audit, at the expense of the Condominium shall be required if authorized in writing by at least two-thirds (2/3) of all Unit Owners or, if the Condominium is comprised of 50 or more Units, if the Holder, insurer or guarantor of any first mortgage that is secured by a Unit in the Condominium submits a written request for such an audit to the Board of Managers, and (ii) any Unit Owner or

mortgage holder shall be entitled to obtain an audited statement at such Unit Owner's or mortgagee's own expense.

6.03. Availability of Records and Legal Documents. The Board of Managers shall make available for inspection upon reasonable notice and during normal business hours, to existing and prospective purchasers, tenants, mortgagees, mortgage insurers and mortgage guarantors, current copies of the Condominium's Declaration, By-Laws, rules and regulations, budget, schedule of assessments and any other books, records and financial statements of the Condominium. The Board may furnish copies of such documents to such parties and may charge a reasonable fee to cover the cost of furnishing such copies.

ARTICLE VII

INSURANCE AND CASUALTY DAMAGE

7.01. Fire and Casualty Insurance. The Owners of each Unit in the Condominium must obtain and maintain in force and effect a policy of fire and other casualty insurance, in an amount, and with such coverage, as is acceptable to the Owner and any mortgagee, with coverage adequate to cover the full replacement cost of any repair or reconstruction work on the Buildings. An annual evaluation should be made by the Owner to determine the adequacy of the insurance. The premium for this fire and casualty insurance shall be billed to the Owner.

In the event of damage or destruction by fire or other casualty insured against to an Owner's Unit, the Owner or its mortgagee shall receive the proceeds of such insurance and shall promptly make the repairs or replacements to the Owner's Unit. The Owner shall, upon receipt of notification of the availability of insurance proceeds, repair or rebuild such damaged or destroyed portions of the exterior of the Owner's Unit in a good workmanlike manner substantially the same as the original plans and specifications of said home.

7.02. Liability Insurance. The Condominium shall obtain and keep in full force and effect a policy of general liability insurance on the Common Area. The premium for this insurance shall be billed to the Condominium and the cost thereof shall be included in the annual assessment to the Owners.

Each Owner should also maintain a policy covering the contents, personal property and liability for injury occasioned to persons on an Owner's property.

7.03. Directors' and Officers' Liability. Directors' and officers' liability insurance shall cover the "wrongful" acts of a member of the Board of Managers or officer of the Condominium. The policy shall be on a "claims made" basis so as to cover all prior officers and members of the Board of Managers, and any deductible provision shall apply only to each occurrence rather than to each item of damage. The policy shall provide for "participation" by the Condominium or by the members of the Board of Managers or officers of the Condominium only to the minimum extent permitted by law or applicable governmental regulations.

7.04. Fidelity Insurance. Fidelity insurance shall name the Condominium as obligee and shall cover all members of the Board of Managers, officers and employees of the Condominium and of the Condominium's managing agent, if any, who handle Condominium funds. The bond shall be in an amount not less than the estimated maximum amount of funds, including reserves, in the custody of the Condominium or managing agent at any given time, but in no event less than a sum equal to three (3) months' aggregate common charges on all Units, plus reserves. It shall contain waivers of any defense based upon the exclusion of persons who serve without compensation from any definition of "employee" or similar expression and shall provide that the bond shall not be cancelled or substantially modified (including cancellation for non-payment of premium) without at least 30 days' prior written notice to the Board of Managers, Insurance Trustee, if any, and all institutional first mortgagees of Units as listed on the books and records of the Condominium.

7.05. Loss Assessment. If the Condominium receives a summons and complaint where the demand made in the complaint exceeds the face value of the Condominium's insurance coverage, the Board will immediately notify all Unit Owners, in writing, of the potential liability for a Loss Assessment. A Loss Assessment is when the Condominium's insurance does not cover the full cost of a judgment against the Condominium. Each Condominium's Unit Owner can then make their own personal insurance carrier aware of the action against the Condominium.

Should a final judgment against the Condominium result in a Loss Assessment, the Board will send a letter to every Unit Owner stating the cause of the assessment and the Unit Owner's portion of the assessment. Unit Owners would then have the following options to satisfy their share of the assessment:

(a) Unit Owners with a "Loss Assessment Endorsement" on their individual homeowners policy may contact their personal insurance carrier to cover their share of the assessment.

(b) Unit Owners may choose to pay their share of the assessment in full by any method they choose.

(c) the Condominium may take out a loan for those who cannot pay any other way and add it to the Unit Owner's monthly dues, with all the costs of the loan being borne only by those Unit Owners not paid in full.

Any such deed, mortgage or other instrument purporting to affect one or more of such interests, without including all such interests, shall be deemed and taken to include the interest or interests so omitted, even though the latter shall not be expressly mentioned or described therein. No part of the appurtenant common interest of any Unit may be sold, transferred or otherwise disposed of, except as part of a sale, transfer or other disposition of the Unit to which such interests are appurtenant, or as part of a sale, transfer or other disposition of such part of the appurtenant common interests of all Units.

8.04. Gifts and Devises, etc. Any Unit Owner shall be free to convey or transfer such Owner's Unit by gift or to devise the Unit by will, or to pass the Unit by intestacy, without restriction.
