

## **EDGEWOOD ESTATES DECK STAINING SPECIFICATIONS**

1. Decks previously stained with transparent or coated with a solid stain product use Behr solid stain No. SC117 Russet. This product is available at Home Depot and additional information available on the Behr website [www.Behr.com](http://www.Behr.com)
2. A Variance Request form shall be submitted to the Architectural Committee for approval. It is required in advance of scheduling the staining project.
3. Power washing is recommended before staining to remove dirt so your stain will adhere properly.
4. Frank Streisel, owner of Accent Paint is a contractor many residents have used for deck staining. He may be reached at 671-5840. He has also handled painting projects for the Edgewood Homeowners Association.
