

THE LEXINGTON

In the "LEXINGTON" a huge living room and dining room greet you at the foyer of this exceptional townhome. Featured on the first floor is a twenty four foot living room and for even more space, your living area can be further extended through sliding glass doors opening onto your private patio. You'll also appreciate the convenience of a downstairs powder room. These features plus the modern electric kitchen, wall to wall carpeting and decorator - coordinated interior color scheme add up to an exceptional first floor. Upstairs you'll be impressed with the oversized master bedroom suite which includes loads of closet space and a private vanity. Even the second bedroom is master-sized! These features, plus many others, in this large two bedroom townhome, add up to living at its finest.
