Spring has sprung and the grass has risen but don't
worry about where the flower is...

Because it's time to think about the start of the 2019 BCYC social activities which
kick off with our Welcome Back Brunch on Sunday morning, June 2.

After long and cold winter (at least it sure felt that way), we look forward to
welcoming back our "snowbirds" and
neighbors we haven't seen these past few months.

We will once again meet at Deusy's Restaurant
at the Reservoir Creek Golf Club in Naples New York.
Those of you who attended last year will attest to the good food
and enjoyment of re-connecting with our friends and neighbors.

**Our guest speaker is the award-winning
Democrat & Chronicle Sports writer Sal Maiorana.**

Be sure to get your reservations in early.

Also included below is the application form for renewal of BCYC memberships
and for new residents wishing to join BCYC. It's a great way to make friends and
meet new neighbors and fellow boaters.

Having said, that I would like to once again remind everyone that boat ownership
is not a requirement and it's worthwhile to join just for the great social aspects of
the BCYC.

Membership affords you the privilege of early registration to those events that have a capacity limit, a reduced price for all our events and a gift. We also issue everyone a key to the BCYC Boat Locker located on the marina dock which contains a battery charger, extra lines, a tote cart and several other useful items.

Not only is it a good time to think about your membership, it also is a good time to mark the dates of BCYC's planned 2019 events on your calendars!

Sunday	June 2	WELCOME BACK BRUNCH
Saturday	July 6	BOAT PARADE
Saturday	August 31	BRISTOL DAZE
Saturday	October 5	OCTOBERFEAST
Saturday	December 7	HOLIDAY PARTY

We are always looking to recruit new members to BCYC and invite you to serve as volunteers, committee members and as officers of the club (the Vice Commodore position is currently open).

Looking forward to a great 2019 season and seeing everyone at the Brunch!

Joe Charlton
BCYC Commodore
