Need help with this winter?

Below are specials that Top Lawn is providing Brookview Homeowners.

This is between you and Top Lawn not through the HOA.

-To Salt each driveway = $16.19 + tax

-To shovel to each front door at storms = $10.64 + tax

-To salt walkways to front door = $8.64 + tax

These would need to be set up with each homeowner and can be set up as only done when requested or automatically done when we do our salt runs for other properties.

Please email office@toplawnlandscapes.com with your name, house number, and phone number so they can get the account set up.
